5. Reason for cancellation

The Evaluation committee check tender documents and concluded that all tenderers had submitted their tenders using the standard submission form available in the Part B of the tender dossier, but in almost all offers missing part of the narrative description and part of the supporting documents. Evaluation committee concluded that the tender offers aren't complete and can't be submitted to further evaluation. Also, the evaluation committee check tender documents and conclude that there were technical inconsistencies in tender documents.

Because of the reasons mentioned above the evaluation committee decide to **Cancel** the tender procedure

Notes:

A new tender procedure will be launched and it will be published on the web site of Municipality of Bitola. Also, Municipality of Bitola will send invitation letter to all entities that were invited before.
