

CORRIGENDUM No.1

for the TENDER 08-258/3

08.06.2021

Publication Ref: Integration of Green Transport in Cities - Green Inter-e-Mobility - CN1 - S.0 2.1 - SC 039 (08-258/3)

Subject: Corrigendum to Tender for Procurement of one electric combi minimum 8+1 seats and procurement of one utility electric vehicle with 5 seats for Bitola Municipality with publication reference 08-258/3

Location - Bitola

The following alterations and/ or corrections are made for LOT1 and LOT 2 in to the document Technical specification (6 c4f_annexiitechspeciiitechoffer_en) and in to the document Financial offer (7 c4g_annexivfinoffer_en.doc) related to Specification required, so for LOT1 in to the part Engine power (the former text Engine power up to 100KW shell read as a new text Engine power cover range of 100KW) and for LOT 2 in to the parts of the Battery range and in to the part of the Engine power (The former text Lithium ion battery to cover a range of 40 KWh, Engine power up to 95 KW shell read as a new text Lithium ion battery to cover a range of 36 KWh Engine power to cover a range of 95 KW). Everything else remain the same.

The changes noted above are presented in to the appropriate tables that are part of Technical specification and Financial offer tables and they are noted in to the text below.

The former text in Technical specification (6 c4f_annexiitechspeciiitechoffer_en):
